Mr.
Carlos Zacapa
The Green Park Free Zone

INS Distribution Center began its operations in January 2019, construction project of more than 8000 m2 and took around 10 months, during which time it received all the support and professionalism of the Green Park employees.

We are really grateful for the service and value offer received, and recommend Green Park Free Zone as an ally in your supply chain strategy.

With kind regards,

Sincerely,

Ing. José Arévalo Ascensio
CEDINS Manager
